

UKRAINE-EU S&T COOPERATION

WEBINAR ON HORIZON 2020

FOR NOVICE PARTICIPANTS IN EU FUNDED PROJECTS

November 7th, 2013

SAVE THE DATE!

In line with [BILAT UKR*AINA](#) objectives to promote **S&T cooperation opportunities between Ukraine and EU**, to support the creation of networks and the participation in joint projects, we are pleased to announce a **webinar on Horizon 2020** addressing future Ukrainian participants in EU funded S&T projects.

This webinar will be the first of many information and mentoring web-sessions on the **opportunities for Ukrainian researchers and project experts** in the **EU's new framework programme for research, technology and innovation: Horizon 2020**. These web-sessions are free, easily accessible and open to all S&T actors interested in Ukraine-EU cooperation. They will be performed in **English language only**.

The first webinar will take place on **Thursday, 7th of November 2013** between **9:30 and 11:00 AM (CET)**.

It will address specifically **Ukrainian researchers and project experts that never participated in EU funded projects** before, and are **strongly interested in expending their cooperation with their European fellows under the umbrella of Horizon 2020**. The webinar will provide firsthand information about the general structure and content of Horizon 2020, and more precisely what are the opportunities for Ukraine-EU cooperation, and the modalities for participation:

- What is Horizon 2020, and what are the opportunities for joint research projects?
- Opportunities for mobility within Horizon 2020
- How to participate in a Horizon 2020 project?
- Ukraine-EU S&T cooperation within EU's framework programmes: success stories

Our dedicated speakers will readily answer all questions during and after the webinar.

If you are interested in attending the webinar, **please register [here](#)** before Thursday, 31st of October. The link to connect to the webinar will be sent to registered participants only!
